Local Annual Plan: Fiscal Year 2023

**NOTIFICATION of LOCAL WORKFORCE SYSTEM CHANGES**

**FISCAL YEAR 2023 CHANGES**

Please describe any programmatic, infrastructure or organizational changes planned for FY2023, including those that will result from any budget reduction/augmentation.

Please complete this form and submit as part of your Local Annual Plan: Fiscal Year 2023 package.

Local Area: MASSHIRE METRO SOUTH/WEST

Are changes planned for FY2023:  YES  NO

If significant service design or other changes from FY2022 are planned for FY2023, describe below each change to the local workforce development model. For each planned change, the description should include both:

**Describe Changes:**

- 1. Effective July 1, 2022, the two non-profits (PSW, Inc & MSWETA, Inc) merged into one non-profit. The 'surviving' nonprofit was MSWETA, mainly because it was important to retain the fiscal agent EIN. The name then formally changed from MSWETA to METRO SOUTH/WEST WORKFORCE BOARD, INC (MSWWB) and all staff previously employed by PSW or MSWETA are now employees of the new entity. All required forms are duly filed with the state.***
- 2. Currently the workforce board staff, and fiscal/youth staff, are located in two different locations in Marlborough and Framingham respectively. Both office leases expire in December 2022. A lease has been signed for new space in Marlborough and staff from the two locations will be co-located there by the end of 2022. The moves will start in October. The new address is:***
